## Story

**S:** Woohoo! It's story time!

**K:** Today's story is about the Treasure Island.

Once upon a time a young man named Jim Hawkins found a map leading to a treasure hidden on an island.

**(S) JIM:** I will bring the treasure to my poor mother.

**K:** He found a sailor, Long John Silver, who could read the map.

**(S) JOHN:** This is a pirate's map. Let's sail together, I will help you.

**K:** Everything went well at first. But soon, John started making trouble. He was actually a pirate!

**(S) JOHN:** Ha! Ahoy mateys, I am the captain now! The treasure is mine. Haha!

**K:** On the Treasure Island, John went looking for the treasure. He dug exactly where the map said.

**(S) JOHN:** I don't understand. The treasure is not here! Ah!

**K:** Meanwhile, Jim was hiding in the jungle. He met a crazy old man called Ben. They became friends.

**(K) BEN:** I used to be a pirate! My mates left me here!

**(S) JIM:** I'm sorry. I can take you home if you help me win back my ship. Long John

Silver stole it, he wants the treasure.

**(K) BEN:** Hahahaha! He will never find it. I have the treasure!

**K:** While John and his men were looking for the treasure in the wrong place, Jim and crazy Ben carried it to the empty ship.

**(S) JOHN:** Argh! No! My gold! Ah!

**K:** They set off on the voyage home, leaving the evil pirates on the Treasure Island as punishment.
